SECTION A: STATE REQUIREMENT. This Enrollment Agreement is required by the State of California.

SECTION B: ACKNOWLEDGEMENTS. This is a legally binding document when signed by the student and accepted by the school. Your signature acknowledges the following:

1. You have been given reasonable time to read and understand the information in this document.
2. You have been given a written statement of the return policy (including examples of how it applies).
3. You have been given access to a University of Phoenix Academic Catalog (including a description of the course or educational service that includes all material facts concerning the school and the program or course of instruction that are likely to affect your decision to enroll).

When the University receives and accepts your signed copy of this form, a copy will be sent to you for your records.

SECTION C: PROGRAM REQUIREMENTS. You must complete 120 credit hours to satisfy the program's requirements. The number of weeks to complete the program is contained in your School Performance Fact Sheet. Your actual time to complete the program may depend on a variety of factors, including but not limited to applicable transfer credits, continual attendance/breaks, or other factors that are individual to you.

Your **anticipated start date** is _____.

Your **anticipated completion date** can be determined by adding the number of weeks for your program as shown on the School Performance Fact Sheet (for your program and location) to the anticipated start date indicated above. The program length on your School Performance Fact Sheet reflects the established "normal time" to complete a program. The term "normal time" means the length of time it would take a student to complete this program if the student is continuously enrolled, takes a full course load, successfully completes each attempted course, and does not have any transfer credits. Students may exceed or complete prior to the established "normal time" for a variety of reasons that are individual to the student.

This enrollment agreement remains in effect until the program is completed in accordance with all University policies.

SECTION D: PERFORMANCE FACT SHEET AND ACKNOWLEDGEMENTS. Prior to signing this enrollment agreement, you must be given a catalog or brochure and a School Performance Fact Sheet, which you are encouraged to review prior to signing this agreement. These documents contain important policies and performance data for this institution. This institution is required to have you sign and date the information included in the School Performance Fact Sheet relating to completion rates, placement rates, license examination passage rates, salaries or wages, and the most recent cohort default rate, if applicable, prior to signing this agreement.

SECTION G: CALIFORNIA STUDENT TUITION RECOVERY FUND (STRF). California Regulations require the following disclosures:

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd., Suite 225, Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Initials: _____ **Date:** _____

SECTION H: STUDENT LOANS AND FINANCIAL AID. Degree-seeking students who are U.S. citizens or eligible noncitizens enrolled in an eligible academic program can apply for federal financial aid as a means of assisting with financing their education. Certificate programs may also be eligible for federal financial aid. If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

(1) The federal or state government or a loan guarantee agency may take action against you, including applying any income tax refund to which you are entitled to reduce the balance owed on the loan.

(2) You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If you obtain a loan to pay for an educational program, you will have the responsibility to repay the full amount of the loan, plus interest, less the amount of any refund. If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds. Students receiving federal financial aid have varying rights and responsibilities in accordance with the Borrower's Rights and Responsibilities Statement, <http://www.direct.ed.gov/pubs/dlrights.pdf>, attached to the Master Promissory Note (MPN).

SECTION I: PAYMENT SCHEDULE. The University invoices students for all courses and fees anticipated for a payment period, which represents half of the student's academic year. A payment period typically includes four courses. Your tuition and resource fees invoiced are payable in full at the time of invoice or incrementally prior to the start of each applicable course. Your tuition must be paid in full, or arrangements must be made and approved by the University, before each applicable class.

SECTION J: STUDENT'S RIGHT TO CANCEL. You have the right to cancel your enrollment and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You must exercise your right to cancel by _____ (date). To cancel your enrollment, you must submit a written request postmarked on or before the applicable time period to the campus services operations manager, University of Phoenix, 3110 E. Guasti Road, Ontario, CA 91761.

SECTION K: REFUND INFORMATION. In addition to your Right to Cancel, you may withdraw from the course after it has started and receive a prorated refund if you have completed 60% or less of the course. For example: (a) if you completed the first 2 weeks of a 5-week course and paid \$1,000.00 in tuition, you would receive a refund of \$600.00; (b) if you completed the first 2 weeks of a 6-week course and paid \$1,200.00 in tuition, you would receive a refund of \$800.00. Refunds will be paid within thirty (30) days of the date the University receives your cancellation request. If the University cancels an educational program or course, it will offer you the opportunity to transfer to a comparable program or course. If you choose not to transfer, the University will provide an appropriate refund.

SECTION L: NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION. The transferability of credits you earn at University of Phoenix is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the (degree or certificate) you earn in your program is also at the complete discretion of the institution to which you may seek to transfer. If the credits, degree, or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending University of Phoenix to determine if your credits, degree, or certificate will transfer.

First time attendees who meet that criterion, who have not previously been admitted as a regular student to the University, and who are intending to pursue the course of study outlined in this enrollment agreement will participate in the trial period and will be conditionally admitted. This trial period will apply to all repeated attempts to complete the first course in the program while students are in Admitted with Condition status. Students will be eligible for unconditional admission to the University after meeting class attendance requirements in the fourth week of their first course (or after the fourth week) and after having transfer credits evaluated. Students will not be eligible for Title IV, HEA funds until they are admitted as a regular student after the trial period has completed.
